Steward Health Choice Arizona – Museum Fire 7/29/19, AM Update

Incident Description: Museum Fire (1961 acres, 61% contained): There has been significant progress on the fire: crews are managing active, interior areas of Little Mt. Elden, while also working to repair fire lines, increase containment and extinguish all heat on the fire's edge. The Burned Area Emergency Response (BAER) team is directing their efforts to rehabilitation of the forest.

The Coconino County Call Center is open daily from 8 a.m. to 6 p.m. at 928-213-2990. They are available to answer questions regarding fire response and potential flooding risk.

Weather: Moisture and thunderstorms are expected to increase throughout the week. For air quality and smoke impacts please visit:

- Air condition updates are available at fires.airfire.org/outlooks.
- Information on health impacts of smoke are available at www.coconino.az.gov/221/Health.

Flood Hazards:

- Pre-filled sandbags are available at the dirt lot of the Coconino County Health and Human Services building (2625 N King St) beginning today. Distribution at Coconino High School has closed.
- Self-fill sandbags are available at Joel Montalvo Little League Field and at Aztec Street near Frances Short Pond.
- Mt. Elden Lookout Estates, Paradise Rd., Grandview Dr., and Sunnyside neighborhoods (north to Route 66, east of West St., west of 4th St. and south of Cedar Ave.) remain at risk for flash flooding.

Current closures, evacuations and pre-evacuations (SUBJECT TO CHANGE):

- **Areas in “set”/pre-evacuation stage:** Mount Elden Estates.
- **Areas in the “Ready”/Be-Prepared Stage:** Magdalena, Kelly McCoy, Forest Hills, Valley Crest, Locket Ranches, Shadow Mountain, Swiss Manor, Mt. Elden Foothills, North and West of Hwy 89 and Silver Saddle, Hutcheson Acres, McCann Estates, Little Elden Springs, Black Bill Park, Wupatki Trails, Pine Mountain Estates, all areas north of Railhead west on Highway 89 and Christmas Tree Estates.

*****Please refer to the first page of the attached document for Ready-Set-Go details*****

Action Items:

- Health homes and providers will continue to reach out to our members. Areas of focus during this outreach include health impacts from smoke and potential flooding.
- Crisis support services are available and teams are ready to respond if requested.
